5 Sec. 8.3. Secondary schools and institutions of higher
6 learning may report mentally erratic or violent behavior by
7 students and former students to the local law enforcement

9 that wish to report mentally erratic or violent behavior by
10 students and former students for purposes of revocation of an

17 use such information to determine whether to deny an

1 application for or to revoke and seize the student or former

15 good faith and is immune from civil or criminal liability for
16 making such report and the consequences of such report.".
